SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,091 for the month of August. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years (19 if last year in high school), $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,129 for the month of September. The maximum board payment f the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years (19 if last year in high school), $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 4 State FCMP cases.

3/ In addition, there were 45 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,307 for the month of September. The maximum board payment f the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years (19 if last year in high school), $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

The maximum board payment fro the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years (19 if last year in high school), $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. 3/ In addition, there were 43 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 540 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 517 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,100 for the month of January. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,099 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 40 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,323 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,113 for the month of March. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 498 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,129 for the month of April. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 531 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,073 for the month of June. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

2/ Payments based on a rate of $30.00 per month service fees made to the foster homes or $80.00 per month for specialized foster care.

3/ Includes specialized adult foster care service fees. In addition, $2,355.00 was paid for 12 adults for emergency shelter care, which is a component of adult protective services.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,053 for the month of July. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 37 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,490 for the month of July. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.
